## Pediatric Trauma Conference Overview

Children's Hospital of The King's Daughters Pediatric Trauma Conference is a one-day accredited pediatric course designed to provide knowledge and skills related to pediatric trauma from content experts. In addition, we seek to enhance the ability of our community and pediatric colleagues to manage pediatric trauma cases. The conference will provide various learning methodologies presented by experts in pediatric trauma. These will include forums for informal learning and discussion as well as formal presentations.

### Continuing Medical Education:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Eastern Virginia Medical School and Children's Hospital of The King's Daughters. Eastern Virginia Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Eastern Virginia Medical School designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credits*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Continuing Nursing Education:

Children's Hospital of The King's Daughters is an approved provider of continuing nursing education by the Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Children's Hospital of The King's Daughters designates this live activity for a maximum of 7.0 CE credit.

### Continuing Education for EMS credits:

On-site registration for EMS professionals to obtain credit will be provided. Sign in with the EMS representative at the registration desk.

### Course Objectives

- Diagnosis and treat traumatic brain injuries in pediatric patients.
- Identify communication and clinical challenges for field providers.
- Evaluate cases from a medical examiner's point of view.
- Execute proper wound and burn care in pediatric patients.
- Discuss the pediatric trauma resuscitation survey.
- Recognize signs of potential abuse in the pediatric patient.

### The CHKD Pediatric Trauma Conference has been organized to inform:

- pediatricians
- primary care physicians
- subspecialty physicians
- nurse practitioners
- nurses
- paramedics and emergency medical technicians
- residents and fellows
- other health care professionals
